✔ Click Start button from the Windows menu. Click All Programs » BKF Viewer » Uninstall BKF Viewer:

✔ A Warning message before un-installing will be displayed on the screen. Click Yes to uninstall the software:

![Warning message for uninstallation]

✔ After this step, BKF Viewer Software setup will start the process of uninstalling the software from the computer system.

✔ After this BKF Viewer software will be successfully uninstalled from computer system. Click on OK button to close the window.

Uninstall Using Control Panel

Another alternative described here for software uninstall is through Windows Control Panel which holds and maintains all system settings. This alternative is described here just for sake of completeness. You can easily skip this step if done with prior uninstall process.

✔ Click Start and look for Control Panel in start menu appears before you. Find Add and Remove Programs within Control Panel. Add and Remove Program generates comprehensive listing of all binaries presently installed on Windows. Find out BKF Viewer and double click on it to start with its uninstall procedures.

✔ Software prompts you either you like to remove BKF Viewer and all of its related components. Go for Yes.

✔ Click OK to message describing successful uninstall of BKF Viewer.
